

# Handle with Care

*~a special note to parents and guardians~*

If your family is experiencing difficulties at home, I would like to provide support to your child at school. I understand that you may not be able to share details, and that's okay.

If your child is coming to school after a difficult night, morning, or weekend, please text me the words, "Handle with care." Nothing else needs to be said and nothing else will be asked.

This will simply let me know that your child may need extra time, patience, or support during the day. I'm glad to help.

We're all in this together.
